Happy Father's Day!

National Safety Month

Tips to Stay Safe:

- Practice water safety and NEVER leave children and other vulnerable individuals unsupervised near water or swimming facilities.
- Apply Sunscreen Frequently
- Keep a first aid kit in the home, car, and recreational areas.
- Learn CPR
- Prevent falls by maintaining a clear walking path.
- Drive safely and BUCKLE UP!

Small Business Health Options Program (SHOP)

Free SHOP informational sessions are being offered **every Wednesday beginning June 11, 2014. Sessions will take place at Community Health Clinic from 7:45am to 9:00 am.** Interested participants can register at 724-889-2783. The SHOP Market Place is available for small businesses to enroll their business and employees in a high quality low cost health plan. Health Care Tax Credits are available for all businesses with 50 or less Full time equivalent employees. Large credits are available for 25 or less full time equivalent employees. Coffee will be provided!

Community Health Clinic has an Application Counselor readily available to assist you with special enrollment on the Market Place, Medicaid and CHIP applications, and change in circumstances. Call your counselor at 724-889-2783 and get covered today!

340 B Prescription Program

Community Health Clinic provides prescription assistance to uninsured and insured individuals called the 340 B Prescription Program. To be eligible to receive 340B-purchased drugs, patients must receive health care services from Community Health Clinic.

PATIENT PORTAL

Patients can access their medical records, request prescription refills, schedule appointments, utilize health resources and much more via the web. If you are a patient at Community Health Clinic and did not receive your log in information, please contact Cheryl Carson at 724-335-3334 for this information.

Lower Burrell Strawberry Festival

Community Health Clinic participated with several other vendors in Lower Burrell's 2nd annual Strawberry Festival. The event attracted many visitors, great networking, great food, and lots of sunshine. A vitamin A day for sure. Community Health promoted the use of sunscreen to all visitors and vendors. Information was distributed regarding the importance of skin care and the sun. Thank you to all who attended on this beautiful day!

New Kensington Community Days

Community Health will participate in New Kensington's annual Community days at Memorial park on June 20, 21, and 22, 2014. A health table will be set up for all to obtain valuable health information and learn of all the valuable services the clinic offers. Hope to see you there!
